EXAMPLE 1: TYPICAL ANNUAL COSTS

This first example deals with the potential annual costs of buying a retirement property. **It excludes:**

- The cost of any **mortgage** you may have, and;
- The **personal monthly bills** for which you would be liable, such as council tax, electricity, gas, water, telephone rates and charges, (if applicable), contents insurance, television licence, broadband / satellite / cable subscriptions and any other bills.

The costs shown are based upon the purchase cost and Assignment Fee costs for single or double occupancy of a 2 bedroom Cottage, address New Build, 23 Gradwell End, Gradwell Park, South Chailey, BN8 4PX, purchased for **£600,000 (Six Hundred Thousand Pounds)**.

As a leasehold owner, you will be responsible for the following costs, which are applicable from: Jan 2021 to Dec 2021 and annually thereafter.

The Assignment Fee, which is payable to the landlord, Gradwell Village Ltd, provides a return on the original investment in developing the communal facilities in the Village. It does not contribute towards the costs of any services that are provided or to a sinking fund and accordingly is not held in trust for residents
