This illustration is not a forecast and, like any other investment, the value of properties in the village could go down as well as up.

EXAMPLE 1: TYPICAL ANNUAL COSTS

This first example deals with the potential annual costs of buying a retirement property. **It excludes:**

- The cost of any **mortgage** you may have, and;
- The **personal monthly bills** for which you would be liable, such as council tax, electricity, gas, water, telephone rates and charges, (if applicable), contents insurance, television licence, broadband / satellite / cable subscriptions and any other bills.

The costs shown are based upon the purchase cost and service charge costs for single or double occupancy of a 2 bedroom Bungalow with Conservatory, address 12 Day Court, Elmbridge Village, Cranleigh, Surrey, GU6 8TL, purchased for **£415,000 (Four Hundred and Fifteen Thousand Pounds)**.

As a leasehold owner, you will be responsible for the following costs, which are applicable from: Apr 2020 to Mar 2021 and annually thereafter.

Costs	Calculation Method	Annual Cost
Service Charge *	Monthly £477	£5,725.00
Ground Rent	Monthly £20.83	£250
	Monthly £497.92	£5,975.00

*The service charge is reviewed every year in consultation with residents.

EXAMPLE 2: A SALE (Otherwise known as assignment) of your property

This second example deals with some of the one-off costs if you were to sell (otherwise known as to “assign”) your property. **It excludes:**

- Any outstanding **ground rent** or **service charge** that you owe;
- Any **mortgage costs**, including the cost of paying off (sometimes referred to as redeeming) your mortgage;
- The costs of any **solicitor**, conveyancer or legal adviser you appoint to deal with the sale/assignment;
- Any **estate agents fees**; (Inclusive if using Elmbridge Village Ltd re-sales service)
- Any **tax** which you may have to pay, including stamp duty;
- Any **costs of moving**;
- The **cost of ensuring the property is in good decorative order prior to the resale.**

The assignment fee, which is payable to the landlord, Elmbridge Village Ltd, provides a return on the original investment in developing the communal facilities in the Village. It does not contribute towards the costs of any services that are provided or to a sinking fund and accordingly is not held in trust for residents

If you purchase the property for £415,000 and in the future sell/assign it for the sale prices below, examples of the corresponding assignment fees incurred on the sale/assignment of the property are indicated underneath the sale prices:-

The proportion of the sales price payable changes: it is 2.5% for a sale in the first year, 5% for a sale in the second year, and 10% for all sales after the second year. If you pre-pay the assignment fee on purchase the rate will be 10%. If you sell the property within 2 years of occupation and you have pre-paid the full assignment fee of 10%, the difference will be refunded.
